In Re: Lakeview Medical Center, LLC, d/b/a Lakeview Regional Medical Center and Notami Hospitals of Louisiana, Inc., applying for supervisory writs, 22nd Judicial District Court, Parish of St. Tammany, No. 2012-11668.

**BEFORE: PARRO, WELCH AND HIGGINBOTHAM, JJ.**

**WRIT DENIED.**

**JEW**  
**TMH**

**Parro, J.**, dissents and would grant the writ. Pursuant to a de novo review, I would find that the defendant, Lakeview Medical Center, LLC, d/b/a Lakeview Regional Medical Center and Notami Hospitals of Louisiana, Inc., met its initial burden on summary judgment by pointing out an absence of factual support for one or more essential elements of plaintiff's case. I would find that the burden shifted to plaintiff, Cathy Anderson, and she failed to produce expert evidence sufficient to establish that she will be able to satisfy her evidentiary burden of proof at trial. La. Code Civ. P. art. 966. Accordingly, I would reverse the March 6, 2014 judgment denying Lakeview Medical Center's motion for summary judgment.
