VERSUS

IVY MORRIS, ARDC SUPERVISOR,
ROBERT C. TANNER, CCE

OCT 21 2014

In Re: Darryl Davis, applying for supervisory writs, 22nd
Judicial District Court, Parish of Washington, No.
106915.

BEFORE: PARRO, McDONALD AND CRAIN, JJ.

WRIT DENIED. Relator does not appear to have presented any arguments or claims that fit within the habeas grounds provided in Louisiana Code of Criminal Procedure Article 362. Instead, relator challenges the computation of his sentence with respect to his discharge date. If relator wishes to contest this issue, he must pursue it through the institution's administrative remedy procedure, after which his forum is a civil action against the Department of Corrections. See La. R.S. 15:571.15.
