In Re: Eddie Gene Evans, applying for supervisory writs, 19th  
Judicial District Court, Parish of East Baton Rouge,  
No. 630425.

---

**BEFORE: PARRO, McDONALD AND CRAIN, JJ.**

**WRIT DENIED.** Based on the information this Court has received from the East Baton Rouge Parish Clerk of Court's Office and the Commissioner's Office, it appears that in response to relator's request on October 23, 2014, the Clerk's Office mailed him copies of documents in the district court record. Accordingly, insofar as relator seeks mandamus relief and an order compelling that he be provided with the district court docket number and copies of his pleadings and exhibits in that record, this request is moot. Insofar as relator is seeking to enforce the June 3, 2014 order of the Commissioner that the Parole Board file records pertaining to relator's parole revocation into the district court record, relator should first seek to enforce the Commissioner's order in the district court.
