

STATE OF LOUISIANA
COURT OF APPEAL, FIRST CIRCUIT

STATE OF LOUISIANA

NO. 2017 KW 1265

VERSUS

DEC 07 2017

JACOB McCALISTER BELL, SR.

In Re: Jacob McCalister Bell, Sr., applying for supervisory writs, 16th Judicial District Court, Parish of St. Mary, No. 2012-187773.

BEFORE: WHIPPLE, C.J., McDONALD AND CHUTZ, JJ.

WRIT DENIED IN PART AND DENIED ON THE SHOWING MADE IN PART.
Insofar as relator appears to request that the district court judge be recused from all future proceedings, the writ application is denied. There is no indication that relator first filed a motion to recuse the judge in the district court. This court cannot adequately review the remaining allegations presented for review in the writ application. Relator failed to include the application for postconviction relief, the State's answer, if any, the court's ruling, the transcript of the postconviction relief proceedings, the bill of information, and any other pertinent documents from the district court record. Supplementation of this writ application and/or an application for rehearing will not be considered. See Uniform Rules of Louisiana Courts of Appeal, Rules 2-18.7 & 4-9. In the event relator elects to file a new application with this court, he may do so without the necessity of obtaining a return date, and the application shall be filed on or before January 18, 2018. Any future filing on the issues presented herein should include the entire contents of this application, the missing items noted above, and a copy of this ruling.
