In Re: Carolyn S. Smith as tutrix for Thomas J. Smith,  
applying for supervisory writs, 17th Judicial District  
Court, Parish of Lafourche, No. 131721.

---

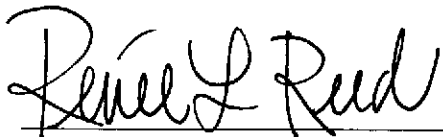

**BEFORE: McCLENDON, THERIOT AND HOLDRIDGE, JJ.**

**WRIT DENIED ON THE SHOWING MADE.** To the extent relator seeks review of the court's November 28, 2017 interlocutory discovery order memorializing the court's ruling in open court on September 14, 2017, it is denied. The application does not contain a copy of a notice of intent to seek writs filed with the district court or a signed return date order as required by Uniform Rules of Louisiana Courts of Appeal, Rule 4-2 and Rule 4-3, or documentation required under Rule 4-5. Notwithstanding the rule violations, the application contains no factual background or legal argument that would support exercise of this court's supervisory jurisdiction.
