STATE OF LOUISIANA

NO. 2018 KW 1010

VERSUS

AHMON JAVON FABRE

**OCT 15 2018**

---

In Re: Ahmon Javon Fabre, applying for supervisory writs,  
22nd Judicial District Court, Parish of St. Tammany,  
No. 533,612.

---

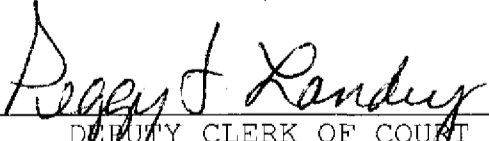

**BEFORE: PETTIGREW, McCLENDON, AND HIGGINBOTHAM, JJ.**

**WRIT GRANTED** for the sole purpose of remanding to the district court for consideration of the merits of relator's claims two, three, four, and five urged in his application for postconviction relief. Relator's claims that he was denied his constitutional right to effective assistance of trial and appellate counsel, he was denied his constitutional right to a fair trial due to the numerous errors that occurred during trial, and he was denied his constitutional right to testify in his own defense, are grounds for filing an application for postconviction relief under La. Code Crim. P. art. 930.3(1).

After review by the district court, relator may again seek review with this court, if necessary. If relator does seek review, he should include all necessary documentation, including all pertinent minute entries and/or transcripts, which would be necessary to review any claims.
