In Re: Murphy J. Painter, applying for rehearing, 19th
Judicial District Court, Parish of East Baton Rouge,
No. 604308.

BEFORE: WHIPPLE, C.J., McDONALD AND CRAIN, JJ.

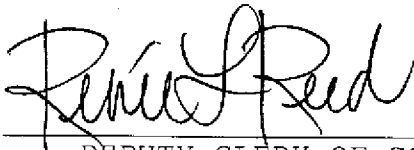

APPLICATION FOR REHEARING DENIED.

JMM

WJC

Whipple, C.J., dissents. Although Respondent references an Eighth Amending Petition that has purportedly been filed, this filing does not appear of record. Accordingly, I dissent and would grant the application for rehearing and remand for supplementation of the record, as this filing could render the exception moot. Alternatively, I would grant the application for rehearing to allow Respondent the opportunity to amend if he has not already done so.
