COUNSEL FOR DEFENDANT/APPELLANT

We grant limited rehearing to clarify a point that was raised in plaintiff/appellee's application.

Plaintiff is correct in noting that our decision did not separately discuss plaintiff's claim for past loss of wages. We want to clarify that we did make an award to the plaintiff for past loss wages. Like the trial court, we included, or lumped, that sum in with the award for general damages and loss of enjoyment of life.

In all other respects the application for rehearing is denied.

**LIMITED REHEARING GRANTED.**
