**TOBIAS, J., CONCURS IN PART AND DISSENTS IN PART.**

I respectfully concur in the majority's decision almost in its entirety,  
but

dissent in one small part. I find that we are required to award The Troth  
Corporation additional attorney's fees for the defense of this appeal, and  
would have increased the attorney's fees award to The Troth Corporation by  
\$1,000.00.

Accordingly, I would have amended the judgment and as amended affirmed the

judgment.
