CANNIZZARO, J., CONCURS WITH REASONS

I concur in the result reached by the majority in that the New Orleans Civil Service Commission erred as a matter of law under the extraordinary circumstances of this case by requiring that the N.O.P.D. conduct a pre-termination hearing prior to disciplining the officers.

However, I would pretermite any and all discussion with regard to the remaining assignments of error since they are not germane to the issue of a pre-termination hearing.

Furthermore, the record does not reflect nor should we speculate as to the impact or effect of the discipline (or lack thereof) on other members of the N.O.P.D.
