NO. 2009-C-0562

COURT OF APPEAL

FOURTH CIRCUIT

STATE OF LOUISIANA

LOMBARD, J., CONCURS IN THE RESULT

I agree with the result reached by the majority. However, the majority's writ disposition grants the application for supervisory writ yet denies the requested relief. In my opinion, because we are affirming the trial court's decision, which declined to strike Lloyd's request for jury trial, Whitney National Bank's application for supervisory writ should have been denied.
