MONTE LAMBERT  
CLERK OF COURTS

SUPERIOR COURT  
CRIMINAL ACTION  
DOCKET NO. CR-06-760

JMS - KEN - 5/8/09

**ORDER**

Before this court is a petition for post-conviction review. A hearing was held on May 5, 2009. Evidence was taken by way of testimony from the petitioner Gerald Perri, as well as David Kline, and Mr. Perri's attorney during his criminal case, David Crook, Esq. Following the evidence, this court for reasons stated on the record denied the petitioner's request for post-conviction review.

The court finds and concludes that the petitioner failed to prove the allegations in ground one that he was threatened and/or coerced into entering his plea of guilty.

The court further finds and concludes that the allegations set out in ground two are also not proved. Petitioner failed to prove that even if the attorney had contacted the people he alleges in ground two, that it would have made any difference in his decision to enter a plea of guilty.

Finally, petitioner also failed to prove the allegations set out in ground three. Since this was an agreed upon disposition reached between the parties, there is no need to present mitigating circumstances to the court. Also, the other concerns that the petitioner raises in ground three were without merit.

For the reasons stated above, the court DENIES the petitioner's request for post-conviction relief.
