**ORDER DENYING MOTION TO  
DISCLOSE GRAND JURY TRANSCRIPTS**

v.

KEVIN MESERVE,  
Defendant

Defendant filed his motion to disclose grand jury transcripts on or about May 17, 2011. The court heard further argument from the parties on June 8, 2011.

Defendant contends that the grand jury testimony which may have included testimony from an officer Andrew McMullen should be disclosed to the defendant pursuant to a request made in accordance with M.R.Crim.P. 6(g). Defendant contends a particularized need is established in these circumstances because defendant believes Officer McMullen may have testified as to what he viewed on a video created by the owners of an establishment, Chez Lounge, where the alleged incident which is the subject of the underlying complaint occurred. Defendant further contends that the eventual destruction of the same videotape creates a particularized need for the testimony which may have been presented to the grand jury.

The court is not persuaded that this fact alone creates a particularized need sufficient to justify the production and disclosure of the grand jury transcripts. The mere fact that the officer's testimony, even relating to his observations of the videotape, may conflict or be inconsistent with other witness testimony regarding what occurred, does not create the particularized need which must be demonstrated to approve the defendant's request. *State v. Cugliata*, 372 A.2d. 1019 (ME 1977).

Accordingly, defendant's motion is hereby denied.
