COURT OF APPEALS

CLYDE SHERROD,

Plaintiff-Appellee,

v

CITY OF DETROIT and ISAIAH McKINNON,

Defendants-Appellants.

FOR PUBLICATION

February 2, 2001

9:05 a.m.

No. 215243

Wayne Circuit Court

LC No. 94-435877 NO

Updated Copy

March 30, 2001

Before: O'Connell, P.J., and White and Saad, JJ.

WHITE, J. (*concurring*).

Because I conclude that defendants' suspension of plaintiff in the instant case before the mayoral hearing did not justify the award of punitive damages, I concur in the majority's decision to reverse.
