PEOPLE OF THE STATE OF MICHIGAN,

v

CALVIN EARL JONES,

Defendant-Appellant.

No. 242871

Wayne Circuit Court

LC No. 02-005245

Before: Fitzgerald, P.J., and Neff and White, JJ.

FITZGERALD, P.J. (*concurring*).

The majority opinion is legally sound and, therefore, I reluctantly concur. My reluctance is based on my concern that random LEIN (Law Enforcement Information Network) checks on license plates will have the unintended result of lawful drivers being subject to unwarranted traffic stops and searches.
