and

TROY WEBSTER,

Respondent.

Before: Bandstra, P.J., and Murphy and Murray, JJ.

MEMORANDUM.

Respondents-appellants appeal as of right from the trial court order terminating their parental rights to the minor children under MCL 712A.19b(3)(c)(i) and (g). We affirm.

I

The trial court did not clearly err in finding that §§ 19b(3)(c)(i) and (g) were established by clear and convincing evidence. MCR 5.974(I), *In re Miller*, 433 Mich 331, 337; 445 NW2d 161 (1989). Petitioner-appellee's evidence established that respondent-appellant Hadley failed to stabilize her life sufficiently to provide proper care and custody for her children. The evidence also established that respondent-appellant Webster was likely to face future incarceration, leaving him unavailable to his children. Because the evidence did not show that termination of respondents-appellants' parental rights was clearly not in the children's best interests, the trial court did not err in terminating their parental rights. MCL 712A.19b(5); *In re Trejo Minors*, 462 Mich 341, 356-357; 612 NW2d 407 (2000).

II

Webster's argument that the trial judge should have disqualified himself is without merit, as he failed to overcome the presumption of judicial impartiality. *Cain v Dep't of Corrections*, 451 Mich 470, 497; 548 NW2d 210 (1996); MCR 2.003(B).

Affirmed.
