DISCUSSION

Respondent does not oppose the portion of the Petition seeking the preservation of the foregoing material and, in fact, has already requested that NYCDOC preserve all of the material listed in the Petition to the extent these items exist and are in the possession of NYCDOC

(NYSCEF Doc. No. 7 [Lynch Affirm. at ¶5]). Accordingly, the Court turns to Petitioner's request that this material be produced as part of pre-action discovery.

“A petition for pre-action discovery should only be granted when the petitioner demonstrates that he has a meritorious cause of action and that the information sought is material and necessary to the actionable wrong” (Uddin v New York City Tr. Auth., 27 AD3d 265, 266 [1st Dept 2006] [internal citations omitted]). “Here, Petitioner is demanding, as pre-suit discovery, functionally all of the ... discovery that it would demand from the City of New York in a potential future action, a purpose which CPLR §3102 is not designed to allow. Petitioner's petition clearly shows that Petitioner is already in possession of the sufficient facts necessary to frame his complaint, except for the identities of the additional possible defendants in the form of the corrections officers and supervisors” involved in NYCDOC's alleged failure to protect Petitioner (Feliciano v The City of New York, 2020 NY Slip Op 32303[U], 3 [Sup Ct, New York County 2020]). Accordingly, the Court concludes that “petitioner is entitled to pre-action discovery of ‘[t]he full names of any NYCDOC employees who were suspended in connection with this incident’” (Id.; see also Riccio v City of New York 2016 WL 4218626 [Sup Ct, New York County 2016]).

Accordingly, the Petition is granted to the limited extent that it is

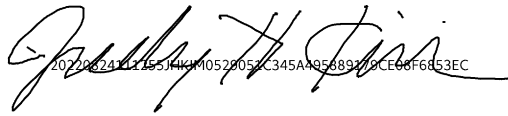

ORDERED that Respondents shall direct that all of the documentary evidence set forth in the Petition is preserved, to the extent that it exists; and it is further

ORDERED that Petitioner shall serve a copy of this decision and order, with notice of entry, upon Respondent within five days of the date of this decision and order; and it is further

ORDERED that Respondent shall, within thirty days of such service, disclose the identities of any New York City Department of Correction employees suspended in connection with this incident, and it is further

ORDERED that the petition is denied in all other respects.

This constitutes the decision and order of the Court.
