Interest of T.L.E.
No. 20220253

Per Curiam.

[¶1] T.L.E. appeals from the district court’s orders continuing his treatment at the North Dakota State Hospital and for treatment with medication. T.L.E. argues the district court erred by finding he is mentally ill and a person requiring treatment. He also argues the court erred by ordering involuntary treatment with prescribed medication.

[¶2] In mental health commitment cases we apply the more probing clearly erroneous standard of review to factual findings made by the district court. *See In re Doe*, 2019 ND 23, ¶ 4, 921 N.W.2d 403. We conclude the district court’s findings are not clearly erroneous. We summarily affirm under N.D.R.App.P. 35.1(a)(2).
