$\{\mathbb{\|} \mathbf{1 \}}$ This case was tried to a magistrate of the court. On August 6, 2004, the magistrate issued a decision recommending judgment for defendant.
\{ๆ 2\} Civ.R. 53(E)(3)(a) states: "A party may file written objections to a magistrate’s decision within fourteen days of the filing of the decision, regardless of whether the court has adopted the decision pursuant to Civ.R. 53(E)(4)(c). ***" On August 30, 2004, this court granted plaintiff leave until September 20, 2004, to file objections and a transcript. Plaintiff has not filed an objection.
$\{\boldsymbol{q} \mathbf{3 \}}$ Upon review of the record and the magistrate’s decision, the court determines that there is no error of law or other defect on the face of the magistrate’s decision. Therefore, the court adopts the magistrate's decision and recommendation as its own, including the findings of fact and conclusions of law contained therein. Judgment is rendered in favor of defendant. Court costs are assessed against plaintiff. The clerk shall serve upon all parties notice of this judgment and its date of entry upon the journal.
