JOSHUA DAVID MORRISON

Requester

v.

LAW DIRECTOR OF THE CITY OF
MOUNT VERNON

Respondent

Case No. 2022-00023PQ

Judge Patrick E. Sheeran

JUDGMENT ENTRY

{¶1} On April 19, 2022, a Special Master issued a Report and Recommendation (R&R) in this public-records case. The Special Master recommends (1) denying Requester’s claim for production of additional records, and (2) assessing costs to Requester. (R&R, 5.)

{¶2} Neither party has timely filed written objections to the Report and Recommendation, as permitted by R.C. 2743.75(F)(2). Pursuant to R.C. 2743.75(F)(2), if neither party timely objects to a special master’s report and recommendation, then this Court is required to “promptly issue a final order adopting the report and recommendation, unless it determines that there is an error of law or other defect evident on the face of the report and recommendation.”

{¶3} The Court determines that there is no error of law or other defect evident on the face of the Special Master’s Report and Recommendation of April 19, 2022. The Court adopts the Report and Recommendation. The Court denies Requester’s claim for

production of additional records. Court costs are assessed to Requester. The Clerk shall serve upon all parties notice of this judgment and its date of entry upon the journal.
