IN THE COURT OF CLAIMS OF OHIO

DENNIS DUFF, #193-815	:	
Plaintiff	:	CASE NO. 91-04217
v.	:	<u>JUDGMENT ENTRY</u>
OHIO DEPARTMENT OF REHABILITATION AND CORRECTION	:	Judge Fred J. Shoemaker
Defendant	:	
	:	: : : : : : : : : : : : : : :

On March 30, 1992, this matter came to trial before a referee of this court. On May 27, 1992, the referee issued a report wherein he recommended judgment for defendant.

Civ. R. 53 states that "[a] party may, within fourteen days of the filing of the report, serve and file written objections to the referee's report."

Upon review of the record and the referee's report, it is the court's finding that the referee was correct in his analysis of the issues and application of the law. Accordingly, this court adopts the referee's report and recommendation as its own.

Therefore, judgment is rendered in favor of defendant and against plaintiff. Court costs are assessed against plaintiff. The clerk shall serve upon all parties notice of this judgment and its date of entry upon the journal.

FRED J. SHOEMAKER
Judge
