IN RE: J.B.

C.A. No. 29443

APPEAL FROM JUDGMENT
ENTERED IN THE
COURT OF COMMON PLEAS
COUNTY OF SUMMIT, OHIO
CASE No. DN 15-11-774

DECISION AND JOURNAL ENTRY

Dated: May 13, 2020

CARR, Presiding Judge.

{¶1} Appellant Father appeals the judgment of the Summit County Court of Common Pleas, Juvenile Division, that granted legal custody of the child J.B. to Mother. This Court affirms.

I.

{¶2} Mother and Father are the biological parents of J.B. (d.o.b. 10/10/15). Father has been in prison since before the child’s birth. Due to concerns regarding Mother’s ability to care for the child, Summit County Children Services Board (“CSB”) filed a complaint alleging that J.B. was a dependent child. J.B. was so adjudicated. After the case proceeded in due course, the juvenile court ultimately placed the child in the permanent custody of CSB. Mother and Father appealed, and this Court reversed. *In re J.B.*, 9th Dist. Summit Nos. 28752 and 28753, 2018-Ohio-244. Upon remand, the parties again had the opportunity to pursue reunification of the child with a parent. After a dispositional hearing, the juvenile court granted Mother’s motion for legal custody.

{¶3} Father timely appealed. In lieu of a merit brief, Father’s attorney filed a brief in accordance with *Anders v. California*, 386 U.S. 738 (1967), asserting that there were no errors or issues justifying reversal of the juvenile court’s judgment. Counsel has further moved for permission to withdraw from the case. Father was served with a copy of counsel’s *Anders* brief, and this Court issued a magistrate’s order affording Father an opportunity to raise arguments after review of the *Anders* brief. Father has not responded.

II.

{¶4} Father’s counsel has submitted one possible issue for review: whether the juvenile court committed reversible and plain error by not granting Father’s requested continuance. After review, this Court concludes that the possible issue presented by Father’s counsel lacks merit. In addition, the Court has conducted a full and independent examination of the proceedings in accordance with *Anders, supra*, and we conclude that there are no appealable issues in this case. Father’s appeal is without merit and is frivolous pursuant to *Anders*.

III.

{¶5} As this Court agrees that Father’s appeal is frivolous and without merit, the judgment of the Summit County Court of Common Pleas, Juvenile Division, is affirmed. Appellate counsel’s motion to withdraw is granted.

Judgment affirmed.

There were reasonable grounds for this appeal.

We order that a special mandate issue out of this Court, directing the Court of Common Pleas, County of Summit, State of Ohio, to carry this judgment into execution. A certified copy of this journal entry shall constitute the mandate, pursuant to App.R. 27.

Immediately upon the filing hereof, this document shall constitute the journal entry of judgment, and it shall be file stamped by the Clerk of the Court of Appeals at which time the period for review shall begin to run. App.R. 22(C). The Clerk of the Court of Appeals is instructed to mail a notice of entry of this judgment to the parties and to make a notation of the mailing in the docket, pursuant to App.R. 30.

Costs taxed to Appellant.
