PER CURIAM

Reversed.

**PER CURIAM**

Appellant seeks reversal of a judgment committing her to the custody of the Mental Health Division for a period not to exceed 180 days. *See* ORS 426.130. In her sole assignment of error, appellant contends that the record does not contain legally sufficient evidence that, due to a mental disorder, she was unable to provide for her basic needs. *See* ORS 426.005(1)(f)(B). The state concedes that the evidence was insufficient to support the trial court's determination that appellant was a person with mental illness and that the judgment should be reversed. We agree, accept the state's concession, and reverse the judgment.
