PER CURIAM

In this consolidated appeal, mother appeals judgments terminating her parental rights to four of her children. Our review is *de novo*. ORS 19.415(3)(a). Having considered the record in light of the parties' arguments, we are in agreement with the juvenile court's assessment of the evidence, as set forth in its careful and detailed opinions as to each child in these matters, and are persuaded that the judgments on appeal should be affirmed.
