**ORDER VACATING DECISION AND  
DISMISSING APPEAL**

On April 25, 2012, this court issued its per curiam opinion (249 Or App 525, \_\_\_\_ P3d \_\_\_\_ ) reversing and remanding the judgment being appealed. Respondent now has informed the court that on April 24, 2012, mother signed a stipulated judgment terminating her parental rights. The trial court register shows that the judgment was entered in the trial court on the same date. Because the only issue raised on appeal of the permanency judgment was rendered

moot by entry of the judgment of termination, the court determines that the appeal is moot and, on its own motion, vacates the April 25, 2012, decision and dismisses this appeal on that ground.

Appeal dismissed.
