PER CURIAM

Reversed.

1 PER CURIAM

2 Appellant seeks reversal of the trial court's judgment committing him as a
3 mentally ill person for a period not to exceed 180 days. ORS 426.130. He contends that
4 the trial court erred in concluding that he is a danger to others as the result of a mental
5 disorder. *See* ORS 426.005(1)(e). The state concedes that the record does not contain
6 legally sufficient evidence to support the involuntary commitment and that the trial
7 court's judgment should be reversed. We agree, accept the state's concession, and
8 reverse.

9 Reversed.
