Defendant.) **DECISION**

Pursuant to the court's Order filed April 17, 2003, Plaintiffs' appeal is dismissed for failure to appear or respond to the court's Order. As indicated in that Order, the appeal involves a farm use disqualification based on Defendant's determination that Plaintiffs did not meet the income requirements of the statute. The court held several proceedings and Plaintiffs submitted information pertaining to the income earned. The evidence did not demonstrate compliance with the statute. Defendant so informed the court in a status report filed February 11, 2003, which Plaintiffs were ordered to respond to following their failure to appear for the April 17, 2003, hearing. Plaintiffs were given until May 9, 2003, to notify the court in writing that they wished for the case to proceed or it would be dismissed. As of May 22, 2003, Plaintiffs had not responded to the court's Order. Now, therefore,

IT IS THE DECISION OF THIS COURT that Plaintiffs' appeal is dismissed.

Dated this _____ day of May, 2003.
