Defendant.)	DECISION AND JUDGMENT OF DISMISSAL

This matter is before the court on Plaintiff's (Chad DeNoon) oral motion to dismiss, made during the case management conference held on July 15, 2003.

During the conference, Plaintiff agreed to withdraw his appeal if Defendant corrected the tax roll for tax year 2002-03. On July 18, 2003, Defendant notified the court and Plaintiffs that the real market value and assessed value of Plaintiffs' property for tax year 2002-03 have been corrected. Because the parties are in agreement, the court finds the case should be dismissed. Now, therefore,

IT IS ADJUDGED AND DECREED that this matter be dismissed.

Dated this ____ day of July, 2003.
