Defendant.)	DECISION AND JUDGMENT OF DISMISSAL

This matter is before the court on Plaintiff's oral request, made during the August 20, 2003, case management conference, that the case be dismissed. The request came after a discussion of the relevant law as it applies to the facts involved in a lot line adjustment recorded in February 2003. After considering Plaintiff's motion, the court finds the case should be dismissed. Now, therefore,

IT IS ADJUDGED AND DECREED that this matter be dismissed.

Dated this ____ day of August, 2003.
