This matter is before the court on its own motion to dismiss this case for lack of prosecution.

On November 10, 2010, the court sent notice of the scheduled case management conference to Plaintiff at 4545 South Monaco Street #134, Denver, CO 80237, which is the address Plaintiff provided to the court. The notice was not returned as undeliverable. The notice advised that if Plaintiff did not appear, the court might dismiss the appeal.

On February 2, 2011, the court sent Plaintiff a letter which explained the importance of diligently pursuing an appeal. That letter was not returned as undeliverable. The letter advised that if Plaintiff did not provide a written explanation by February 16, 2011, for her failure to appear, the court would dismiss the appeal. As of this date, Plaintiff has not submitted a written response to the court explaining her failure to appear at the February 2, 2011, case management conference. Under such circumstances, the court finds the appeal must be dismissed for lack of prosecution. Now, therefore,
