Re: Harry V. Cardoni

Dear Mr. Raspanti:

At your request, I am writing to provide a statement of the significant cooperation and substantial assistance that your client, Harry V. Cardoni, provided to the United States Attorney's Office for the Middle District of Pennsylvania in its investigation, prosecution, and sentencing of former Luzerne County Court of Common Pleas Michael T. Toole. I understand that my letter may be used by Mr. Cardoni in a petition to the Pennsylvania Supreme Court following his voluntary suspension of his license in 2010. I fully consent to the use of my letter for this purpose.

By way of background, I worked as an Assistant United States Attorney for more than thirty-five years until my retirement from government service in 2016. Since my retirement, I have continued to perform services on a contract basis for the United States Attorney's Office for the Middle District of Pennsylvania.

Beginning in 2009, I became the lead prosecutor in charge of an investigation into alleged criminal misconduct involving Luzerne County Court of Common Pleas Michael T. Toole. During the course of that investigation, in the summer of 2009, I first came into contact with your client Harry Cardoni in connection with items of value that Mr. Cardoni provided to Judge Toole.

From our first contact in the summer of 2009, Mr. Cardoni fully and completely cooperated with our investigation, and expressed genuine remorse for his conduct. In particular, Mr. Cardoni willingly provided us with a full accounting of his interactions with Judge Toole, a complete description of the items of value provided, and even provided us with detailed and verifiable documentation of those items. Mr. Cardoni met with our investigative team at least seven times over a period of eighteen months; each time he cooperated fully and completely with the members of our investigative team. We also had regular access to his attorneys to follow-up on other information we needed.

In my view, the assistance that Mr. Cardoni provided was a substantial factor leading to Judge Toole's guilty plea on September 26, 2010 to the charges of Subscribing and Filing a Materially False Tax Return under 26 U.S.C. § 7206(1) and Corrupt Receipt of Reward for Official Action Concerning Programs Receiving Federal Funds under 18 U.S.C. § 666. Mr. Cardoni further assisted the government by providing valuable testimony for the government at Judge Toole's sentencing hearing on March 26, 2011. Based on this assistance, and a variety of other factors, Mr. Cardoni was not charged by the United States Attorney's Office.

In my thirty-five years of experience as a federal prosecutor, I can state without reservation that Mr. Cardoni fully and completely cooperated with our investigation, and that his substantial assistance was a substantial factor in a prosecution that was important to protecting the integrity of the judiciary in Pennsylvania.
