ORDER

PER CURIAM

AND NOW, this 29th day of December, 2020, the Petition for Allowance of Appeal is **GRANTED**. The issue, as stated by petitioner, is:

Under *Bentman v. Seventh Ward Democratic Executive Committee*, 218 A.2d 261 (Pa. 1966), did the trial court have jurisdiction to declare that [Respondent] violated the Pennsylvania Election Code by disqualifying a duly elected Republican Committeeman for alleged misconduct that did not constitute a *prima facie* basis for disqualification under the local party rules?
