ORDER

PER CURIAM

AND NOW, this 12th day of April, 2021, the Petition for Allowance of Appeal is **GRANTED**. The issues, as stated by petitioner are:

- (1) Did the Superior Court err in determining that [Respondent] was not required to register under SORNA even though he was already required to register for life in New York and relocated to Pennsylvania after the effective date of SORNA?

- (2) Did the Superior Court err in finding an ex post facto violation even though [Respondent] was not disadvantaged any more than his lifetime registration he was already subject to under New York law?
