ORDER

PER CURIAM

AND NOW, this 16th day of March, 2022, the Petition for Allowance of Appeal is **GRANTED**. The issue, as stated by petitioner, is:

Whether the Commonwealth Court of Pennsylvania erred in affirming the Court of Common Pleas denial of the statutory appeal of suspension of operating privileges based on a finding that 75 Pa.C.S. [§] 3806(b)(3) requires that each pending multiple driving under the influence offense for which sentencing occurs on the same day be considered a “prior offense” for all other offenses, without regard to whether sentence has yet been imposed, as provided for in the general definition of “prior offense” under 75 Pa.C.S [§] 3806(a)?

Justice Brobson did not participate in the consideration or decision of this matter.
