PETITION OF: T.Q.B., A MINOR	:	Petition for Allowance of Appeal
	:	from the Order of the Superior Court

ORDER

PER CURIAM

AND NOW, this 31st day of May, 2023, the Petition for Allowance of Appeal is **GRANTED**. The issue, rephrased for clarity, is:

Whether, in addressing an issue of first impression, the Superior Court panel erred as a matter of law in affirming Petitioner’s adjudication of delinquency for transmission of sexually explicit images by construing the statute’s definition of “nudity” under 18 Pa.C.S. § 6321(g), which includes “[t]he showing of the female breast with less than a fully opaque covering of any portion thereof below the top of the nipple[,]” as not requiring a showing of the nipple.
