<u>ORDER</u>

PER CURIAM

AND NOW, this 2nd day of April, 2024, the Petitions for Allowance of Appeal are **GRANTED**. The Prothonotary is directed to consolidate these cases and to schedule them to be argued together. The issue, rephrased for clarity, is:

In reversing the trial court's order, which transferred the underlying actions to the county in which the incident giving rise to the claims occurred, did the Superior Court misapply the doctrine of *forum non conveniens*?

The Applications For Relief To File No Answer Letter *Nunc Pro Tunc* are **GRANTED**.

The Applications For Leave To File *Amici Curiae* Brief in Support of Petitions For Allowance of Appeal are **GRANTED**.
