## **O P I N I O N**

Pursuant to the provisions of Article 11.07 of the Texas Code of Criminal Procedure, the clerk of the trial court transmitted to this Court this application for writ of habeas corpus. *Ex parte Young*, 418 S.W.2d 824, 826 (Tex. Crim. App. 1967). Applicant pleaded guilty and was convicted of possession of a controlled substance and sentenced to 180 days' imprisonment. He did not appeal his conviction.

After Applicant pleaded guilty and was sentenced, a lab report from the Houston Police Department revealed that the substance Applicant possessed contained no controlled substances. Applicant alleges that the lab report shows that he is actually innocent of possession of a controlled

substance.

The trial court determined that the lab report shows that Applicant did not possess controlled substances. The trial court concluded that Applicant established by clear and convincing evidence that no reasonable trier of fact would have convicted him in light of the new evidence, which demonstrates that he is actually innocent. The trial court recommends granting relief and the State does not oppose granting relief. Applicant is entitled to relief.

Relief is granted. The judgment in Cause No. 1382149 in the 228<sup>th</sup> Judicial District Court of Harris County is set aside, and Applicant is remanded to the Harris County Sheriff to answer the charge against him. The trial court shall issue any necessary bench warrant within 10 days after the mandate of this Court issues.

Copies of this opinion shall be sent to the Texas Department of Criminal Justice—Correctional Institutions Division and Pardons and Paroles Division.
