

IN THE COURT OF CRIMINAL APPEALS OF TEXAS

NO. WR-83,426-02

EX PARTE SHYDAREON ANTONEY WARREN, Applicant

**ON APPLICATION FOR A WRIT OF HABEAS CORPUS
CAUSE NO. 1415433-B IN THE 209th DISTRICT COURT
FROM HARRIS COUNTY**

Per curiam.

OPINION

Pursuant to the provisions of Article 11.07 of the Texas Code of Criminal Procedure, the clerk of the trial court transmitted to this Court this application for a writ of habeas corpus. *Ex parte Young*, 418 S.W.2d 824, 826 (Tex. Crim. App. 1967). Applicant was convicted of possession of methylenedioxy methamphetamine (MDMA) in an amount greater than four grams, but less than two hundred grams and sentenced to two years' imprisonment. He did not appeal his conviction.

Applicant contends that his plea was involuntary and that his conviction violates due process because the evidence in his case was tested and found not to contain any MDMA, even though the lab test shows that the evidence contained methamphetamine and marihuana, different controlled

substances.

The parties have entered agreed findings of fact and conclusions of law, and the trial court has determined that Applicant's decision to plead guilty in this case was not a voluntary and intelligent choice. Applicant is entitled to relief. *Ex parte Mable*, 443 S.W.3d 129 (Tex. Crim. App. 2014).

Relief is granted. The judgment in Cause No. 1415433 in the 209th District Court of Harris County is set aside, and Applicant is remanded to the custody of the Sheriff of Harris County to answer the charges as set out in the indictment. The trial court shall issue any necessary bench warrant within 10 days after the mandate of this Court issues.

Copies of this opinion shall be sent to the Texas Department of Criminal Justice—Correctional Institutions Division and Pardons and Paroles Division.
