### OPINION

Pursuant to the provisions of Article 11.07 of the Texas Code of Criminal Procedure, the clerk of the trial court transmitted to this Court these applications for writs of habeas corpus. *Ex parte Young*, 418 S.W.2d 824, 826 (Tex. Crim. App. 1967). Applicant was convicted of one count of possession with the intent to deliver a controlled substance and three counts of delivery of a controlled substance. He was sentenced to imprisonment for forty-five, thirty, twenty-five, and twenty years. The Fifth Court of Appeals affirmed his convictions. *Jackson v. State*, Nos. 05-10-01190-CR, 05-10-01191-CR, 05-10-01192-CR & 05-10-01193-CR (Tex. App.—Dallas Mar. 22, 2012) (not designated for publication).

Applicant contends, among other things, that his convictions violate the Double Jeopardy Clause. The trial court made findings of fact, concluded that Applicant's convictions violate the Double Jeopardy Clause, and recommended that this Court grant relief.

We agree that Applicant is entitled to relief on double jeopardy grounds. Relief is granted. The judgments in cause numbers F-06-00448-K, F-06-00445-TK, F-06-00450-K, and F-06-00453-K in Criminal District Court No. 4 of Dallas County are set aside, and the indictments are dismissed with prejudice.

Copies of this opinion shall be sent to the Texas Department of Criminal Justice-Correctional Institutions Division and Pardons and Paroles Division.
