

**IN THE COURT OF CRIMINAL APPEALS
OF TEXAS**

NO. PD-0395-20

NICOLE PATRICE SELECTMAN, Appellant

v.

THE STATE OF TEXAS

**ON APPELLANT'S PETITION FOR DISCRETIONARY REVIEW
FROM THE FOURTH COURT OF APPEALS
BEXAR COUNTY**

Per curiam.

O P I N I O N

We granted appellant's petition for discretionary review to determine whether the court of appeals erred in its analysis of claimed jury charge error or its analysis of potential harm arising from said charge error. Having examined the record and briefs, we conclude that our decision to grant review was improvident. We therefore dismiss appellant's petition for discretionary review as improvidently granted.
