

**IN THE COURT OF CRIMINAL APPEALS
OF TEXAS**

NO. WR-70,969-01

EX PARTE RAMIRO F. GONZALES

**ON APPLICATION FOR WRIT OF HABEAS CORPUS
CAUSE NO. 04-02-9091-CR IN THE 38TH JUDICIAL DISTRICT COURT
MEDINA COUNTY**

Per Curiam. Price, J., dissenting.

ORDER

On February 1, 2012, we exercised our authority to reconsider our initial disposition of this application for writ of habeas corpus on our own initiative. *See Ex parte Moreno*, 245 S.W.3d 419, 427-29 (Tex. Crim. App. 2008). We remanded the application to the trial court in order to determine whether alleged procedural variations affected the trial court's initial findings, conclusions, and recommendation on the merits.

After remand, the trial court re-adopted its prior findings of fact, conclusions of law, and recommendation. By this action, the trial court effectively found that any procedural

variations did not affect the result of the prior proceedings. Accordingly, we adopt the trial court's findings and again deny relief.

IT IS SO ORDERED THIS THE 27TH DAY OF JUNE, 2012.
