MEMORANDUM OPINION

Donny Lee Bretz has filed a petition for writ of mandamus to compel the Texas Board of Pardons and Paroles to provide him with a fair and impartial parole evaluation and review process. We have jurisdiction to issue a writ of mandamus against certain judges within our geographic district. TEX. GOV'T CODE ANN. § 22.221(b) (West 2004). We also have authority to issue a writ of mandamus if it is necessary to enforce our jurisdiction. *Id.* § 22.221(a). Bretz does not seek mandamus relief against a judge, and he has not shown that a writ is necessary to enforce our jurisdiction. Therefore, the petition for writ of mandamus is dismissed.
