**On Appeal from the 42nd District Court  
Taylor County, Texas  
Trial Court Cause No. 27612A**

---

---

**MEMORANDUM OPINION**

Based upon an open plea of guilty and a plea of true to two prior state jail felony convictions, the trial court convicted Appellant of the state jail felony offense of possession of methamphetamine and assessed Appellant's punishment, pursuant to the applicable enhanced range of punishment, at confinement for ten years and a fine of \$750. The trial court suspended the imposition of the sentence and placed Appellant on community supervision for ten years. We affirm.

Appellant's court-appointed counsel has filed a motion to withdraw. The motion is supported by a brief in which counsel professionally and conscientiously examines the record and applicable law and concludes that this appeal is frivolous and without merit. Counsel has provided Appellant with a copy of the brief, a copy of the motion to withdraw, a copy of the clerk's record and the reporter's record, and an explanatory letter. Counsel advised Appellant of her right to review the record and file a response to counsel's brief. Counsel also advised Appellant of her right to file a petition for discretionary review in order to seek review by the Texas Court of Criminal Appeals. See TEX. R. APP. P. 68. Court-appointed counsel has complied with the requirements of *Anders v. California*, 386 U.S. 738 (1967); *Kelly v. State*, 436 S.W.3d 313 (Tex. Crim. App. 2014); *In re Schulman*, 252 S.W.3d 403 (Tex. Crim. App. 2008); and *Stafford v. State*, 813 S.W.2d 503 (Tex. Crim. App. 1991).

Appellant has not filed a response to counsel's *Anders* brief. Following the procedures outlined in *Anders* and *Schulman*, we have independently reviewed the record, and we agree with counsel that the appeal is frivolous and without merit.<sup>1</sup>

We grant counsel's motion to withdraw, and we affirm the judgment of the trial court.
