MEMORANDUM OPINION
Before Justices O'Neill, Myers, and Brown
Opinion by Justice Myers

On December 3, 2013, the Court reinstated this appeal, which had been abated due to the bankruptcy filing of appellee. We ordered appellant to file, within ten days, either a motion to dismiss the appeal or a motion to maintain the appeal explaining why it should be maintained on the Court's docket. We warned appellant that if we did not receive either within the time specified, we would, without further notice, dismiss the appeal. To date, appellant has not filed any motions nor communicated with the Court regarding the appeal. Accordingly, we dismiss the appeal. *See* TEX. R. APP. P. 42.3(c).
