**MEMORANDUM OPINION**

Before Justices Moseley, Fillmore, and Evans  
Opinion by Justice Moseley

Relator filed this petition for writ of mandamus contending that the trial court's judgment is void. The facts and issues are well-known to the parties, so we do not recount them here. Relator's petition is not properly authenticated. TEX. R. APP. P. 52.3(j). Because the petition is not properly authenticated, relator has failed to establish his right to relief. Tex. R. App. P. 52.8. Accordingly, we **DENY** the petition.
