IN RE AMI MONITORING, INC. AND JOSEPH H. BOGDAN, Relators

**Original Proceeding from the 199th Judicial District Court
Collin County, Texas
Trial Court Cause No. 199-03634-2015**

MEMORANDUM OPINION

Before Justices Francis, Fillmore, and Stoddart
Opinion by Justice Stoddart

In this petition for writ of mandamus, relators request that we order the trial court to rule on their application for a temporary restraining order preventing the sale of the stock or assets of real party in interest, Medi-Lynx Monitoring, Inc. and that we order the trial court to schedule a temporary injunction hearing concerning the same transaction. Alternatively, relators request that we order the trial court to grant the temporary restraining order and schedule a temporary injunction hearing. Ordinarily, to obtain mandamus relief, a relator must show both that the trial court has clearly abused its discretion and that relator has no adequate appellate remedy. *In re Prudential Ins. Co.*, 148 S.W.3d 124, 135–36 (Tex. 2004) (orig. proceeding). Based on the record before the Court, we conclude relators have not established their right to relief.

We deny the petition for writ of mandamus.
