**MEMORANDUM OPINION**

Before Chief Justice Wright, Justice Bridges, and Justice Lang  
Opinion by Justice Lang

This is an accelerated appeal from the trial court's order waiving its jurisdiction and transferring appellant to a criminal district court for criminal proceedings. *See* TEX. FAM. CODE ANN. §54.02(a) (West Supp.2015). When appellate counsel filed a motion to withdraw, we abated the appeal for the trial court to hold a hearing to determine whether appellant desired to prosecute the appeal and, if so, whether he was entitled to appointed counsel. The trial court held the hearing and determined appellant does not wish to prosecute the appeal. We reinstated the appeal, adopted the trial court's finding, and directed appellant to file a motion to dismiss. We expressly cautioned appellant that the failure to file the motion within the time stated would result in the appeal being dismissed for want of prosecution.

Based on the trial court's finding and appellant's failure to file a motion, we dismiss the appeal. *See* TEX. R. APP. P. 42.3(b), (c); TEX. FAM. CODE ANN. § 56.01(b) (requirements governing appeal in juvenile proceedings are as in civil cases generally).
