**NARCISO GARCIA, JR., Appellant  
V.  
THE STATE OF TEXAS, Appellee**

---

**On Appeal from the 401st Judicial District Court  
Collin County, Texas  
Trial Court Cause No. 401-82045-2015**

---

**MEMORANDUM OPINION**

Before Justices Lang, Fillmore, and Schenck  
Opinion by Justice Fillmore

Narciso Garcia, Jr. appeals the revocation of his community supervision. Appellant pleaded guilty to possession of methamphetamine in an amount of four grams or more but less than 200 grams. After finding appellant guilty, the trial court assessed punishment, pursuant to a plea agreement, of ten years' imprisonment, probated for seven years, and a \$500 fine. The trial court later, following an evidentiary hearing, granted the State's motion to revoke community supervision and sentenced appellant to nine years' imprisonment and a \$500 fine.

On appeal, appellant's attorney filed a brief in which he concludes the appeal is wholly frivolous and without merit. The brief meets the requirements of *Anders v. California*, 386 U.S. 738 (1967). The brief presents a professional evaluation of the record showing why, in effect, there are no arguable grounds to advance. *See High v. State*, 573 S.W.2d 807, 812 (Tex. Crim.

App. [Panel Op.] 1978) (determining whether brief meets requirements of *Anders*). Counsel delivered a copy of the brief to appellant. We advised appellant of his right to file a pro se response, but he did not file a pro se response. *See Kelly v. State*, 436 S.W.3d 313, 319–21 (Tex. Crim. App. 2014) (noting appellant has right to file pro se response to *Anders* brief filed by counsel).

We have reviewed the record and counsel’s brief. *See Bledsoe v. State*, 178 S.W.3d 824, 826–27 (Tex. Crim. App. 2005) (explaining appellate court’s duty in *Anders* cases). We agree the appeal is frivolous and without merit. We find nothing in the record that might arguably support the appeal.

We affirm the trial court’s judgment.
