Dallas County, Texas  
Trial Court Cause No. DC-17-01318**

---

**MEMORANDUM OPINION**

Before Justices Lang, Myers, and Whitehill  
Opinion by Justice Myers

Before the Court is relators' petition for writ of mandamus in which they contend the trial court abused its discretion by ordering relators in a sanctions order to produce allegedly privileged documents. To be entitled to mandamus relief, a relator must show both that the trial court has clearly abused its discretion and that relator has no adequate appellate remedy. *In re Prudential Ins. Co.*, 148 S.W.3d 124, 135–36 (Tex. 2004) (orig. proceeding). Based on the record before us, we conclude relators have not shown the trial court abused its discretion. Accordingly, we deny relators' petition for writ of mandamus. *See* TEX. R. APP. P. 52.8(a) (the court must deny the petition if the court determines relator is not entitled to the relief sought).
