**On Appeal from the 363rd Judicial District Court  
Dallas County, Texas  
Trial Court Cause Nos. F17-35063-W, F17-35064-W**

---

**MEMORANDUM OPINION**

Before Justices Bridges, Francis, and Lang-Miers  
Opinion by Justice Francis

Johnathon Ramey waived a jury trial and pleaded guilty to two felony assault family violence offenses. After finding appellant guilty, the trial court assessed punishment at imprisonment for six years in each case. On appeal, appellant's attorney filed briefs in which he concludes the appeals are wholly frivolous and without merit. The briefs meet the requirements of *Anders v. California*, 386 U.S. 738 (1967). The briefs present a professional evaluation of the record showing why, in effect, there are no arguable grounds to advance. *See High v. State*, 573 S.W.2d 807, 812 (Tex. Crim. App. [Panel Op.] 1978) (determining whether brief meets requirements of *Anders*). Counsel delivered a copy of the briefs to appellant. We advised appellant of his right to file a pro se response, but he did not file a pro se response. *See Kelly v. State*, 436

S.W.3d 313, 319–21 (Tex. Crim. App. 2014) (noting appellant has right to file pro se response to *Anders* brief filed by counsel).

We have reviewed the record and counsel’s briefs. *See Bledsoe v. State*, 178 S.W.3d 824, 826–27 (Tex. Crim. App. 2005) (explaining appellate court’s duty in *Anders* cases). We agree the appeals are frivolous and without merit. We find nothing in the record that might arguably support the appeals.

We affirm the trial court’s judgments.
